Education

Manhattan College, NY, NY	1972	B.S Microbiology & Immunology
SUNY Albany, Albany NY	1987	B.S. Finance and Operations Mgmt.
University of Rochester, NY	1995	Pre-Med Coursework
University of Miami	1995	Neuroscience PhD Program
University of Rochester School of Medicine & Dentistry	1998	Master of Science Degree Neurobiology and Anatomy
University of Rochester School of Medicine & Dentistry	2001	PhD, Molecular Neuroscience

Awards, Fellowships, Grants

1. University of Rochester Graduate Qualifying Examinations, Parts I and II: Honors.
2. University of Rochester, Rochester, NY: Interdepartmental Graduate Neurosciences Program, Pre-doctoral Fellowship (01/96 – 07/01). Dissertation Project: Mechanisms underlying prostaglandin-induced inflammation in neural cells.
3. Postdoctoral Fellowship, University of Rochester School of Medicine 2001-2003.
4. Research Grant conferred by The Stanley Medical Research Institute: The Role of Prostaglandin-producing enzymes in psychiatric disease, 1998-2000.
5. Alumni Outstanding Achievement Award, Excelsior College, SUNY Albany, Albany, NY, 2006.
6. New York State Hall of Distinction Award conferred by New York State's Commission on Independent Colleges and Universities, NYS Capitol Building, Albany, NY, 2010.
7. Recipient, 4 Open Innovation Awards for proposals submitted through NineSigma.com.
